## WORK EXPERIENCE

### Trainee Systems Engineer [Microsoft Cloud Solutions]

ZILLIONe Technologies 2025 - Now

Focused on endpoint security and user support, working extensively with Microsoft Intune, Defender, and security portals. Implemented Microsoft Sentinel SIEM, configured alerting systems, and led phishing awareness campaigns. Collaborated with senior IT staff to enhance security posture and streamline identity management using Entra ID.

### Internal IT Professional

ZILLIONe Technologies 2024 - 2025

Focused on endpoint security and user support, working extensively with Microsoft Intune, Defender, and security portals. Implemented Microsoft Sentinel SIEM, configured alerting systems, and led phishing awareness campaigns. Collaborated with senior IT staff to enhance security posture and streamline identity management using Entra ID.

### Founder

Arctic Technologies 2023 - 2025

Completed a Diploma in Computer Hardware with Network. Started working as a Computer Technician at my own shop, "Arctic Technologies," handling numerous computer repairs and troubleshooting issues with my team.

### Demonstrator - Full time

Vocational Training Centre -Dehiwala 2023 - 2025

Assistant Lecturer with one year of experience teaching Computer Hardware and Network Diploma. Proficient in both hardware and software. Engaged students actively and supported the Chief Instructor in delivering high-quality training.

### Graphic designer - Part Time

Thathsara Enterprises 2020 - 2021

Part-time Graphic Designer for a printing company. Created visually compelling designs, managed print projects, and ensured high-quality production standards. Efficiently delivered creative solutions tailored to client needs.
